

## Health & Safety Policy

Eco-Smart Consultancy is a market leading consultancy, supplying expert advice and support on environmental, quality and compliance issues to clients in a variety of industry sectors across the UK.

This is the Health and Safety Policy Statement of Eco-Smart Consultancy.

Our statement of general policy is to:

- consult with our employees on matters affecting their health and safety.
- provide and maintain safe plant and equipment.
- ensure safe handling and use of substances.
- provide information, instruction and supervision for employees.
- ensure all employees are competent to do their tasks, and to give them adequate training.
- prevent accidents and cases of work-related ill health.
- maintain safe and healthy working conditions.
- provide adequate control of the health and safety risks arising from our work activities.
- make sure all personnel working for or on behalf of Eco-Smart Consultancy understand the requirements of the policy.
- openly communicate this policy to all employees and the public.
- review our Health and Safety policy regularly.

Signed
